PB4L
Positive Behaviour for Learning

WAIHI EAST SCHOOL
TE KURA RAWHITI O WAIHI

PB4L looks at behaviour and learning from a whole school as well as an individual child perspective.

It's about changing the environment, systems and practices you have in place to support tamariki to make positive behaviour choices.

OUR VISION

Inspiring confident and resourceful learners who Rise Above and Shine.

OUR MISSION

Through effective partnerships we will engage and inspire our school community to nurture a love of learning, with the readiness and resilience to Rise Above and Shine.
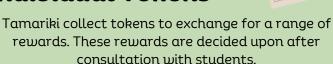

OUR VALUES

RESPECT - Whakarangatiratanga
RESPONSIBILITY - Tūtika
CARE - Manakitanga

Data

Monthly data is used to plan for targeted teaching of behaviour expectations. This data includes type of behaviour, location, time, motivation, and who is involved. This allows us to look for patterns and trends that enables data-based decision-making and problem-solving.

Behaviour Expectations

Children's behaviour is reinforced via:

- Positive praise
- Special class time
- Values linked reward tokens which lead to a class party
- Individual rewards tokens
- Blue Certificates at school assembly
- Principal's Awards

Individual Tokens

Tamariki collect tokens to exchange for a range of rewards. These rewards are decided upon after consultation with students.
