COUNCIL PARKING NOTICE

Those intending to park on grassed road berms please be considerate of the adjacent land owners who are expected to mow their berm area. For example, if parking is creating muddy, deep ruts in the grassed berm please consider parking elsewhere.

Please note this is not a request to stop the public parking on the roadside. As long as vehicles are parked legally, not causing undue nuisance, safety issues or damage to the berm it shouldn't be of concern. This notice is more to ask people to please take pride in their streets, be good community citizens and ensure the berms in front of your neighbours properties are kept tidy.

FUNDRAISER FOR KATE (Kindy teacher)

We have an order form in the staff room for Stainless Steel clothes pegs. See community notices for more info. This is a fundraiser for Kate Mullaney who is the head teacher at the kindy next door to us. If you would like to order some stainless steel pegs just pop in to the office.

Dear Zac

Climate Change Letter

I would like to thank your students for taking the time to present their card to me, and join the group march last Friday 15 March.

It is pleasing to see our young ones are so interested in doing what they can to raise awareness of climate change, and keen to work towards a better future. The large number of students from the many schools of Waihi demonstrated how important climate change is for our future.

Could you please pass on my thanks to your students.

Yours sincerely

Thursday 28 March, 5.30pm

Come discuss the future of our education system. You'll be able to raise general education issues with a focus on proposals from the Government's "Tomorrow's Schools Review Taskforce". We've raised some serious concerns about the proposals which, in our view, could transfer power away from parents to officials. We want everyone to have access to information about the proposals. It's an opportunity for us to hear from you and ensure your views are shared.
