WEEKLY NOTICES AND REMINDERS

Kia ora koutou

Welcome back to Term 3. We have had a great start to the term, with students looking very refreshed and ready to take on a very busy couple of weeks as we prepare for our school showcase! *Please take note of the other information in this newsletter and other correspondence that is coming out this week about the showcase.*

A huge congratulations to the students who received a principal's award in Week 10 last term. It is amazing to see our tamariki upholding our school values. We are on the lookout for our next award winners for Week 5.

We will have our termly Mihi Whakatau (welcome) on Monday, if you are new to our school we would love for you to be involved, come down to the staffroom at 10.20am.

In this rainy season please be extra cautious driving, parking and picking up students after school. It is essential you park legally and then collect or have students enter the vehicle. If you have stopped on the road, or doubled parked, staff will not allow the students to cross onto the road. This is a health and safety issue and we look forward to your full co-operation.

I look forward to seeing you at the show case in Week Three.

Term 2

Welcome to our new whānau starting this term.

We start the term with a newly elected school Board of Trustees. Tineke Douglas (Chairperson), Michelle Burr (Deputy Chairperson and Health & Safety spokesperson), Briar Frew (Teacher Representative), Shane Rush (Property spokesperson), Emma Van der Hulst (Support Financial spokesperson), Nick Hewlett (Support Health & Safety spokesperson), and Vanessa Twidle (Financial spokesperson) and Tara Parker (Maori representation) co-elected members for the skills and knowledge they bring to the board.

ERO (Education Review Office) have postponed the visit to our school they had planned for the last week of term 2 due to unforeseen circumstances. A new date is yet to be set. ERO regularly visit schools to evaluate and report publicly on the quality of education provided in New Zealand schools and Early Childhood Services. Thank you to our teachers for all the mahi that you did to prepare for the ERO visit and for the incredible individual learning progress that our tamariki have experienced in math and reading and we look forward to seeing the results from the focus this year on writing. Already teachers are noticing more enthusiasm from reluctant writers. Exciting times!

All classrooms have had new lighting installed during the school holidays. The cost for this is covered by an interest free loan from a government energy saving initiative and will pay for itself within 5 years and continue to save the school money well into the future. This lighting is much kinder on the eyes and creates a better learning environment.

We have carried out our annual, comprehensive health and safety review off the school. The playgrounds have seen a top up of soft fall (wood chip) making our playgrounds safer. You will note as you walk around the school that steps and possible trip areas have been newly painted yellow to help us navigate these areas without incident.

Thank you for your feedback on the Health and PE questionnaire. Your feedback highlighted some good areas and suggestions for our Health Curriculum. We value your feedback and have a newly crafted health curriculum plan.

Thank you to all the volunteers that give your time for our tamariki: school excursion transport, electives (Kotuku) and discovery (Piwakawaka), breakfast club, supporting teachers in class, and more! We love having you in our kura and the skills and knowledge that you share with our tamariki are extremely valued.

PRINCIPAL APPOINTMENT UPDATE

The recruitment process for appointing a new principal has begun. The board has selected a consultant to assist with the selection.

Thank You to all whanau and staff who took the time to fill out the survey. The job has been advertised this week with a view to selecting a new principal by the end of term 3 2019 with a start date of Term 1 2020.

Briar Frew will be acting principal for Term 4 2019.

On **8th August 2019** our school is getting **#CrazyForKidsCan**. It's a nationwide fundraising day where students (and businesses!) are encouraged to wear or bake something crazy.

Some suggestions are:

A crazy hairstyle

Some crazy shoes

Crazy cupcakes for morning tea

Along with wacky dress ups or bizarre baking, a gold coin donation would be greatly appreciated for KidsCan.

All proceeds help KidsCan provide the basics for Kiwi kids who need it most. This includes food at school, school shoes and socks, raincoats and basic health care products. Waihi East School benefits from all these items!

A little crazy goes a long way for Kiwi kids in need. Thank you!

PB4L News - Positive Behaviour for Learning.

As part of our PB4L journey, we have conducted a well-being survey with a sample of Year 4-6 children. It is important to us that our tamariki have a say. The survey was really positive, indicating that we have a welcoming school environment for children and whanau, children feel that they belong, that children are involved in their learning and our teachers are implementing programmes that consider the children's needs and interests. We are continuing to work on our school values and what this looks like in action for our tamariki according to what is age appropriate. As always, we welcome your feedback as to what we can do to further embrace the positive culture of our wonderful school. Feel free to touch base with your child's teacher or email bfrew@east.school.nz

COUNCIL PARKING NOTICE

Those intending to park on grassed road berms please be considerate of the adjacent land owners who are expected to mow their berm area. For example, if parking is creating muddy, deep ruts in the grassed berm please consider parking elsewhere.

Please note this is not a request to stop the public parking on the roadside. As long as vehicles are parked legally, not causing undue nuisance, safety issues or damage to the berm it shouldn't be of concern. This notice is more to ask people to please take pride in their streets, be good community citizens and ensure the berms in front of your neighbours properties are kept tidy.

AFTER SCHOOL PARKING SAFETY

Please do **NOT** park in the staff carpark driveway after school as children walk past the entrance when leaving school.
