WEEKLY NOTICES AND REMINDERS

SHOWCASE

Waihi Baptist Church - for the use of their premises and welcoming us so warmly.

Parents - who came helped with costumes, routines, makeup, encouragement and more.

Waihi East School staff and tamariki - for the amazing effort and fun we had in bringing such an exciting show to our community.

HELP - who donated the use of the beautiful plants

Tui Madsen - who gave up 3 days to help us with the sound

system to make it happen.

Together - we have certainly been able to Rise above and Shine!

Dear Waihi East Whanau,

We're standing up for our principal! On Friday, all over Aotearoa, communities are standing up for their primary and intermediate school principals.

Why? After a long campaign, our teachers recently received an offer from the Government that recognised their skills and qualifications, and gave them pay parity with their secondary school colleagues. But the Government refused to do the same for about 2000 principals in primary and intermediate schools.

Principals (especially our own!) do an amazing job for their schools and communities, and they deserve a collective agreement offer that reflects their considerable skills and responsibilities. We need to value and support the role so teachers actually want to become principals – especially in our small and rural schools and kura.

What can we do? On Friday 9th August, to show our support we would like the students to join us in wearing as much green as possible to show our support for all the principals in Aotearoa who work hard for our kura.

Thanks for your support!

Jo Derham (NZEI Representative)

We are rolling out school wide lessons for teaching our school value of Respect. The children will be learning about ways to be respectful in all settings at school, these ideas might also be relevant at home. You might like to talk to your child about what respect means in your life and home. As always, we welcome your feedback as to what we can do to further embrace positive culture of our wonderful school. Feel free to touch base with your child's teacher or email

COUNCIL PARKING NOTICE

Those intending to park on grassed road berms please be considerate of the adjacent land owners who are expected to mow their berm area. For example, if parking is creating muddy, deep ruts in the grassed berm please consider parking elsewhere.

Please note this is not a request to stop the public parking on the roadside. As long as vehicles are parked legally, not causing undue nuisance, safety issues or damage to the berm it shouldn't be of concern. This notice is more to ask people to please take pride in their streets, be good community citizens and ensure the berms in front of your neighbours properties are kept tidy.

AFTER SCHOOL PARKING SAFETY

Please do **NOT** park in the staff carpark driveway after school as children walk past the entrance when leaving school.
