WEEKLY NOTICES AND REMINDERS

Kia ora koutou

Congratulations to Rooms 2, 5 and 8 who shared their learning at our second celebration assembly for the term. There is certainly lots of exciting learning and activities happening this term. Our next celebration assembly is on Wednesday 3rd of July. I hope you can make it down to see more of the learning that is happening at school.

Tomorrow is our first full school/community event for our Matariki celebrations. We will be taking part in a hikoi around the town to let everyone know that Matariki is upon us and then heading up to the College to be welcomed and watch their Kapahaka Roopu perform. If you can support us in this event by walking from school with us, please make sure you let your child /rens class teacher know.

A couple of reminders:

- * Please remind your child/ren on rainy days to not intentionally get wet and play in the rain. We do not have enough spare uniforms to reclothe students who are playing in the rain storms on purpose.
- * Please remind your child/ren that rough play, playfighting, pretend hitting or play hitting with mates, is not ok at school. Whilst it is a natural and engaging thing for some students (to playfight), it too often leads to students getting hurt, loosing their temper or feeling offended when it gets too rough.
- * We have many students walking to sports in the afternoons, please remind them to stay on foot-paths (do not walk on the roadside), stay safe when crossing (look, listen and WALK) at a place you have told them is a safe place to cross. Watch for sneaky driveways (cars backing out of driveways).

As we start planning for term three (ALREADY!), we will be running senior school electives again. If you have any projects, talents or skills you would like to share with a small group of year 4-6 students please contact Mrs Coll to have a chat and get more information.

I look forward to seeing you at the up and coming Matariki celebrations, assemblies and gatherings.

MATARIKI HIKOI

We will be taking part in the Hikoi tomorrow Friday 14th June 2019. We will be leaving East at 10.45am, please come and help. We will meet at the Pumphouse at 11.30am, walk through town on the northern side of street, turn right up Moresby Ave and continue to Waihi College. We will be welcomed by the Waihi College Kapahaka Roopu. Following the Hikoi we will be walking back to school via the Pit Rim Walkway.

Please fill in and sign the permission slip that went home last week and return to school as soon as possible.

BOT ELECTIONS

Board of Trustees Election Results will be published in the Waihi Leader next week and the school newsletter next week.

EMERGENCY PROCEDURES

Over the next couple of weeks we will be practising our Fire, Earthquake and Lock-down drills.

PB4L News - Positive Behaviour for Learning.

As part of our PB4L journey, we have conducted a well-being survey with a sample of Year 4-6 children. It is important to us that our tamariki have a say. The survey was really positive, indicating that we have a welcoming school environment for children and whanau, children feel that they belong, that children are involved in their learning and our teachers are implementing programmes that consider the children's needs and interests. We are continuing to work on our school values and what this looks like in action for our tamariki according to what is age appropriate. As always, we welcome your feedback as to what we can do to further embrace the positive culture of our wonderful school. Feel free to touch base with your child's teacher or email bfrew@east.school.nz

COUNCIL PARKING NOTICE

Those intending to park on grassed road berms please be considerate of the adjacent land owners who are expected to mow their berm area. For example, if parking is creating muddy, deep ruts in the grassed berm please consider parking elsewhere.

Please note this is not a request to stop the public parking on the roadside. As long as vehicles are parked legally, not causing undue nuisance, safety issues or damage to the berm it shouldn't be of concern. This notice is more to ask people to please take pride in their streets, be good community citizens and ensure the berms in front of your neighbours properties are kept tidy.
