Fear Fall

Click, clack! The fear fall dropped, and I felt terrified! I tried to scream but nothing came out. It was like God lifted me up and dropped me from the clouds. It felt like my stomach was going to leave my body and say goodbye. When I was dropping my legs were flying up. I stopped at the bottom, my legs bolted down and it felt very odd. I ran to my mum and I thought I could see my stomach following me, but that's just my imagination.

PB4L News - Positive Behaviour for Learning.

Our tamariki have been working hard to earn orange reward tickets - you may hear them talking about this at home. Teachers give out tickets for noticed fabulousness; being caring, responsible and respectful. The children collect tickets for rewards: 10 tickets = ice block, 20 tickets = visit another class of your choice for 1 block, 30 = Sushi, 40 = Free choice afternoon block or mufti for the day, 50 = Visit cafe/fish and chips with a teacher of their choice. We are so glad to reward our children for their brilliant choices to earn something just for them.

WHO WE ARE

Tanya Giles
Classroom Support

A fave teaching moment:

Returning after holidays and seeing how excited all our East kids are to be back at school.

What makes me happy:

My family, travelling, reading, cooking.

What I'd bring to a deserted island:

Chillis to make curries out of all the coconuts!

My most treasured possession is:

My health

If I had a magic wand I'd:

Redistribute the world's food supply so everyone has enough.

In my spare time I like to:

Make jewellery and realistic miniature food out of polymer clay.

Sharon Samson
Office Manager aka office lady

A fave coaching moment is:

When a player uses a move that I've taught them at practise in the game situation. Awesome!

What I'd bring to a deserted island:

My family. Oh and Bear Grylls.

My most treasured possession is:

My Grandmothers engagement ring.

If I had a magic wand I'd:

I'd magic away all the rats, possums, stoats etc. from New Zealand.

In my spare time I like to do:

Walk bush tracks with my camera.
Explore new places.

Nature Kids at The Nest – Waihi Beach

These school holidays we are again offering something very special for your children - an opportunity to connect with and explore nature in a nurturing environment, all day.

Nature Kids and The Nest provide exciting and engaging free play in nature where your children can explore, create and let their imaginations run wild.

In this setting your child will build confidence, self-esteem and a sense of wonder. Making friends and having fun while they are guided by experienced and qualified teachers.

We like to keep our groups small to enable us to connect with and support your child through their nature journey, so spaces are limited!

Wednesdays and Thursdays 8th, 9th, 15th & 16th July. Based at The Nest (Nature Space) in Waihi Beach with Yoga for kids included. 8:45am to 3:15 pm. Ages 5 to 12 years. \$55 per child per day.

For more info or to book:

<https://naturelibrary.co.nz/pages/school-holiday-programme>

Or call: Kathy 027 842 5645 or Kas 027 872 7278

We also have **Nature School starting in Term 3** – Our weekday sessions are nature-based learning experiences for kids aged 5 – 12. Perfect for home schoolers or as a one-day* alternative to mainstream school. Breaking up the school week and providing an alternative learning environment to help your child's growth and development. Nature School is held every Wednesday for 8 weeks.

FREE EAR CLINIC SERVICE FOR CHILDREN

The caravan will be at Waihi Central School, Moresby Avenue on 7th August and 10th September 2020. 12 noon—1.30pm.
