# WEEKLY NOTICES AND REMINDERS

Kia Ora Whanau,

Another big week in the world of Waihi East!

Our Cluster Athletics saw our year 5 and 6 students, run, jump, and throw their way to some good results, great attitudes and big smiles. Ka pai tamariki!

Our year 6 children have been to College to visit the space and make connections. Please do make the time year 6 whanau, to go along to the College visit this evening - super valuable learning, and the teachers would be happy to answer questions you might have,

Big thanks to Shane Rush, for delivering a big trailer load of compost to help rejuvenate our vegetable gardens - watch this space over the next wee while!

On that note, you'll start to notice the planting in the Discovery Space starting to happen soon. Please encourage our children and community to look after the wee trees going in there. We aim for this space to be a lovely inviting place, with a few edibles too!

My thanks goes to Joel - from Clarke Tree Care - for donating a huge amount of sports balls to our kura! We are wrapped to have such shiny new resources, and the children will be thrilled!!

Have your children talked with you about the Maker Space? It's a super space for our children to go, as a class, and create and make. Loose parts, glue, paint, construction, you name it! The children are enjoying the freedom to explore the process of creating something they design - problem solving as they go. The teachers are loving having time with the children to help scaffold oral language, order higher thinking and to encourage peer relationships.

Our huge thanks to Ms Stevens, for establishing this space for our children!

Lastly, don't forget that the Carboot Sale is in at the Waihi Baptist Church, this Saturday from 8am to 12pm. Come on down! Feel free to come and help, pop in for a fun purchase or a sausage sizzle. See you there!

Ka Kite  
Briar

Enviroschools

# Our Enviroschools Journey

We are so excited to be part of the Enviroschools whanau!

The Enviroschools programme is an awesome opportunity for our kura; empowering students to engage in meaningful learning for sustainability.

'The Enviroschools kaupapa is about creating a healthy, peaceful, sustainable world through learning and taking action together.' [enviroschools.org.nz](http://enviroschools.org.nz)

Our initial learning is based around 'Me in My Environment.' This term children are getting to know our place through a green lens and identifying ways to make our school and community more sustainable.

Please ask your child to tell you about some of the awesome activities they have been involved in, for example; mapping, observing, learning about Papa and Rangi, webbing, word hunting and putting in the mahi in our gardens!

In the next couple of weeks we will contact you to ask for your feedback and ideas for a sustainable vision for our school.
