WEEKLY NOTICES AND REMINDERS

Kia Ora Whanau,

It was pretty special to take our Kotuku children along to the Armistice Service at Gilmour Lake this week. Hearing their message of peace and encouragement to solve our issues together, was a great korero for us to be a part of. The bagpipes played, as we laid our wreaths of remembrance. A bit thank you to our parents who crafted the stunning wreath and also took time out, to assist us with transport, and join in the service.

Big thanks to the parents, who took ten of our fabulous girls, to play in the Rugby 7's this week! Such fierce competition, and we gave as good as we got - go girls!!

Also big thanks to the Hickson whanau, who donated an incredible - practically hurricane proof - umbrella, to help make rainy windy gate crossing a little more bearable! Your kindness has already made a difference.

You might have heard about the Maker Space we have created. Such a neat opportunity for children to craft and create, enjoy the process and work out how to overcome tricky problems they may come across on the way. If you have 'loose parts', nuts and bolts, glue, fabric, wool, sewing needles for kids, cotton spools, feather, string, piping or anything else - we'd gladly take it off your hands for our children's creations.

As you will know, these last few weeks of school are a little bit crazy - please bear with us if we inadvertently drop a ball. We have trips, end of year arrangements, data gathering and giving, our year six transition work, and oh, so much more going on - super exciting! We encourage you to come along for as much as you are able to.

As always, the jug is on, with an appointment, we are always happy to make time to chat - hear about any celebrations you might have, or how we can support you and yours.

Epro8 2020

Engineering and Problem Solving

This year our team (Anna, Kayla, Aaliyah and Andre) and two other teams competed in the Epro8 Competition.

The first round of Epro8 was held in Katikati. Our team came 3rd, Waihi East 2 (Leah Kelly, Kyla Muir, Isabelle and Alexis-Jo), came 2nd and Waihi East 3 (Kayla, Ben, Samuel, and Mirren) came 4th.

We trained every Friday until the second round. In the second round, our team came 1st and Waihi East 2 came 4th. We were so excited because we were into the Grand Final in Rotorua.

Before we knew it we were travelling to Rotorua at 7.30am in the morning. We had two and a half hours to complete as many tasks as possible. Time flew by and the buzzer went off. We waited to find out our results and it turned out that our team came 4th and Waihi East 2 came 9th out of the Western Bay of Plenty, we were delighted with our efforts. Some of the tasks we had to complete were an electrical toilet, automatic opening curtains, an electrical Mars rover (which is sadly not roving on Mars right now!), and a toaster that had to pop up 1.5 meters.

Overall we really enjoyed this experience and we will hopefully be able to do it all again next year.

By Kayla, Anna and Aaliyah.
