Kia Ora Whanau

Goodness me - what a week!

We are certainly in full swing here - and it's great to see so many tamariki involved in sport, our enviro club and taking responsibility for our library and school grounds -tino pai!

Next Monday at 3.20 - we would love to see as many parents who are able to make our Surf n Turf hui. We will meet in the staffroom, or kai shelter, weather and numbers dependent. If your child is Year 4, and you are able to contribute to our kai list, please see Ms. Stevens. See you there!

Wednesday is mufti - a gold coin and dress in green to celebrate our school Enviro day on St Patrick's. We are raising funds for our Enviro club, and the work they will be doing.

Our Kotuku children are going to the Cross of Crosses ceremony next Friday and also some are off to Hockey - good luck!!

Have a great weekend!

Seasons for Growth

CHILDREN & YOUNG PEOPLE'S PROGRAM

Seasons for Growth™

An innovative grief and loss program that uses the imagery of the seasons to illustrate the experience of grief.

The program was first developed 20 years ago and has been revised and updated to incorporate new evidence and ensure that it continues to provide relevant and valuable experience for participants.

It does not provide counselling or therapy.

What does it do?

Seasons for Growth aims to strengthen the social and emotional wellbeing of children and young people (aged 6-18) who are dealing with significant life changes by:

- Exploring the impact of the change and loss on everyday life
- Learning new ways to respond to these changes

Who is it for?

Anyone who is living with the effects of change and loss. Many factors can cause change such as:

- Friends can come and go
- Loss of someone or something you love
- Parents and families separate
- Moving to a new place
- Impact of illness
- Family work-life changes

Change affects everyone differently, as does grief. It's the impact of the change, not the event itself that *Seasons for Growth* focuses on.

We suggest that anyone affected by bereavement wait 6-12 months before participating in a *Seasons for Growth* program.
