Board News – Term 1, 2021.

Kia Ora,

The Board of Trustees would like to welcome all new families and our returning families to Waihi East School for 2021. We are thrilled to have our East School Whanau continue to grow and thrive in our community. We hope everyone has had an amazing start to the new year! Term one is extremely busy with camps, school trips and of course some fabulous classroom learning. We hope everyone enjoys what this term has to offer and please remember to thank all your teachers, support staff and parents who organise and make these special activities happen, without these amazing humans our children would not have such incredible opportunities available to them.

I have included a photo of our board members so new families can see our friendly faces. We have Nick, Vanessa, Michelle, Emma, Shane, Tineke and Tara. Give us a smile or a wave if you see us around, we are always happy to have a chat. You may be wondering what we actually do?! To keep it short, we work in partnership with the community, principal, teachers, support staff and the government to ensure the best possible outcomes for all our students. We want our Kura to be an amazing place, so we work together to make this happen!

Big thumbs up to Robin Douglas!! Thank you so much for your hard work creating the Whare Iti and storage shed for our discovery centre play space. They look incredible and we really appreciate your hard work. Also a very big thank you to everyone who was involved in creating this space, it is nearly finished and it is looking amazing, we even have a few feijoas growing on the new trees we planted.

Have a great rest of the term and keep shining like the superstars you all are.

Nga mihi The Board.

Staff Pepeha.

Over the weekend Tyler competed in the NZ BMX Nationals in Rotorua. He rode amazingly but unfortunately got knocked out in the quarter finals. Tyler's goal was to make the quarter finals which he achieved. He has also been asked to join the NZ YESS BMX grassroots team. The grassroots team is developed by creating a team of riders who put huge effort into their training and show great sportsmanship and being proud to ride the YESS Brand, the team is put together to support each other, learn from each other and get support from the YESS BMX factory team (16years +) to help the grassroots riders achieve their goals. Well done Tyler!

DENTAL UNIT

The Mobile Dental Unit will be at Waihi East school from the 19th of March. We will be booking children in by appointment and parents will receive a txt message 2-3 days prior to let them know the appointment time/day. The children will be brought over from class as has occurred in the past. If you wish to attend with your child please let us know by calling us on 021359798 or call into the clinic. If we do not hear from the parent we assume they are happy for their child to attend alone. Appointment times need to be changed sometimes for various reasons so it is important that we know who is attending. If all parents could please help us by signing and returning any dental forms you may see in your child's bag as soon as possible to either the school office or dental van. Also a reminder that we also see pre-school children so get in touch to make an appointment.
