Kia Ora,
Golly we are hurtling towards the end of the year at quite a rate!

We have some key events coming up that will sadly, be invite only, under Alert Level 2.

Our Year 4-6 Kapahaka concert on Monday the 6th of December, invite, has been emailed and put on facebook. If you are a parent or caregiver of one of the children performing, please RSVP to secure your spot, if you have not already. There is a max of 2 adult visitors, with siblings welcome.

Ms Johansen's farewell will be held on Thursday the 9th of December, at 1.30pm. We have sent invites out to Ms Johansen's guests, who have been involved with her illustrious career, and also her current classes whanau. If you would like to send a message of support, or a special memory, please share this with Vanessa, vmaunder@east.school.nz.

Our Prizegiving will be under the new traffic light system, so I am waiting to sight the paperwork for how this will look under whatever coloured light we will be under. Confused? Indeed! Covid fatigue is a thing, of that I am sure! However, we will make it all work for our tamariki (students).

This week we have enjoyed the Water Safety lessons in our fabulous pool, please join me in thanking Mr Cowan, for having our pool all ready for us - it looks stunning! It is wonderful to hear the children yahooing and splashing.

As always, please drop me an email if you would love to chat, celebrate or share concerns.

Nga mihi,
Briar

MUFTI DAY

Some of our families have had to call on Starship. The Stevens whanau were blown away with the incredible work they do, when their sweet niece Miller was born with a rare lung condition. The equipment they needed to help Miller, gave her time with her family earthside. Here's what Miller's whanau have said...

"STARSHIP gave Miller specialised medical attention that gave us precious time!

We got to hold her hands, feel her tight grip, look into her dark brown eyes, care and love her, read her Hairy Maclary stories, introduce her to her family and dream of our future. NOW is the time to raise money, so that no family needs to have a conversation at a round table about "resources". Chad and I are creating this fundraiser for Starship, in memory of our daughter Miller Jacob. Starship needs more beds and resources for our current and future families and children! All NZ families deserve the opportunity to have specialist care and not have to wonder "what if the resources were available"?

Let's help STARSHIP SAVE LIVES!

Friday the 26th of November is Mufti day - wear your bright clothes, add some sparkle - to raise funds for Starship Children's Hospital, as we celebrate life!

MUFTI DAY

We have been requested by Madison Muir from WaihiBeach Surf Club to hold a mufti Day for SURF LIFE SAVING at Waihi Beach. We will be having a mufti day with a gold coin donation on Monday 13th December 2021

SCHOOL BUS ARRANGEMENTS FOR 2022

Note to caregivers – *change in provider*

Next year our school bus operator is changing. Our new school bus operator is Go Bus. We are working closely with Go Bus and the Ministry of Education to ensure that the transition to our new school bus operator goes well.

To make sure that the start of the school year goes as smoothly as possible, please familiarise yourself with the information below.

As always, please either stay with your children while they are waiting for their school transport in the morning or keep in contact with them to make sure that they are picked up safely.

School bus routes, timetables and bus stop information

[Contact the school if you currently don't have this information]

Eligibility for school transport assistance

We often get questions about whether students qualify for school transport assistance i.e., a place on a school bus.

The Ministry of Education has three criteria that students must meet in order to qualify for school transport assistance. They are:

1. The student must attend their closest state or state-integrated school
2. The student must live more than a certain distance from the school:
 - o Years 1-8: at least 3.2 km
 - o Years 9-13: at least 4.8 km

There must be no suitable public transport options

The Ministry of Education has a handy video on their website that helps explain the eligibility criteria for school transport assistance.

Responsibility of caregivers

To ensure a safe environment for bus loading and unloading, caregivers should:

- not park in bus bays
- adhere to the speed limit (20 km/h while passing a stationary school bus on either side of the road)
- try to eliminate the need for children to cross the road
- ensure that children get to and from the bus stop safely, teach children to not run across the road

Please note: if you currently have a private arrangement with your bus operator, you will need to contact your bus operator to confirm that your arrangement will continue in 2022.

If your child is having a friend come to stay and needs to travel on the school bus, please let the school know. We can't put them on the bus unless we have had confirmation from a caregiver.
