WELCOME TO OUR NEW FAMILIES!
NAU MAI, HAERE MAI

We would like to warmly welcome our newest students and their whānau.

Kobe N—Discovery Centre

Kia Ora Whanau,

Week five is drawing to a close, leaving us with only four more to go!

With trips and celebrations, along with prizegiving coming, we are working on ways behind the scenes to make these happen for our children, and also follow the guidelines under alert 2.

Please bear with us as we navigate these.

We have two key events coming up, Maren Johansen's farewell celebration, and Prizegiving.

To keep our numbers down, we will be asking for those wishing to attend to RSVP. Sadly we have to cap our numbers, in order for these special events to go ahead.

I will be asking for RSVP responses closer to the time, with first option being to families whose children are directly involved (for example, our year 6's who are off to college, for prizegiving). Thankyou so much for your support and understanding.

In other news, how proud are we of our Kapahaka Roopu?! Golly, they shone when they performed this week for our older community. Thirteen songs, poi, haka and more! It was inspiring to see the hard work they put in, come together in a such a beautiful set for the community. Thankyou to those who came and supported us.

My huge, huge thanks to Mrs Hartley, Matua Matt, Whaea Rangi and Joseph, for the incredible job they do, supporting our tamariki (children), with their learning, and also the for the way you all champion our children, to help them glow and grow. We so appreciate you!

Have a wonderful weekend.
Briar

SCHOOL FUN RUN

All students with a profile have now ordered their prizes.

Any cash raised needs to be brought into school now so we can confirm the orders for these students. If the cash is not received the order can't be confirmed and the students may miss out on their prize. Prizes will be sent to school once this has been done.

Thanks to those students who went above and beyond for this fundraiser. It has been a very successful fundraiser for School this year.

POPPITS AND OTHER TOYS

Please do not send your child to school with the latest toys. If your child brings these to school they are their responsibility to look after not the teachers or the school.

WEEKLY NOTICES AND REMINDERS

LOCKDOWN DRILL

This will be happening in the next few days - please talk to your child about this.

YEAR 6 COLLEGE ENROLMENT FORMS

College forms all need to be brought back to East School, filled in and with a copy of birth certificate and immunisation certificate attached. Please drop into office. We are happy to photocopy your documents for you.

ELECTIVES—CROQUET

On Monday we walked to the Croquet club. Once we got there we listened to the coaches.

We grabbed the Croquet mallets and then split up into groups. We did some passing drills.

After that we played a game of Croquet. Then we had to walk back to school.

SCHOOL BUS ARRANGEMENTS FOR 2022

Note to caregivers – *change in provider*

Next year our school bus operator is changing. Our new school bus operator is Go Bus. We are working closely with Go Bus and the Ministry of Education to ensure that the transition to our new school bus operator goes well.

To make sure that the start of the school year goes as smoothly as possible, please familiarise yourself with the information below.

As always, please either stay with your children while they are waiting for their school transport in the morning or keep in contact with them to make sure that they are picked up safely.

School bus routes, timetables and bus stop information

[Contact the school if you currently don't have this information]

Eligibility for school transport assistance

We often get questions about whether students qualify for school transport assistance i.e., a place on a school bus.

The Ministry of Education has three criteria that students must meet in order to qualify for school transport assistance. They are:

1. The student must attend their closest state or state-integrated school
2. The student must live more than a certain distance from the school:
 - o Years 1-8: at least 3.2 km
 - o Years 9-13: at least 4.8 km

There must be no suitable public transport options

The Ministry of Education has a handy video on their website that helps explain the eligibility criteria for school transport assistance.

Responsibility of caregivers

To ensure a safe environment for bus loading and unloading, caregivers should:

- not park in bus bays
- adhere to the speed limit (20 km/h while passing a stationary school bus on either side of the road)
- try to eliminate the need for children to cross the road
- ensure that children get to and from the bus stop safely, teach children to not run across the road

Please note: if you currently have a private arrangement with your bus operator, you will need to contact your bus operator to confirm that your arrangement will continue in 2022.

If your child is having a friend come to stay and needs to travel on the school bus, please let the school know. We can't put them on the bus unless we have had confirmation from a caregiver.
