Kia ora Whanau,

As you will have seen or read, our Nation is undergoing further changes on the 4th of April. Vaccine mandates and passports will no longer be used, from the 4th of April. You will no longer be required to scan in, unless you would like to, however usual signing in at the office will continue as part of our health and safety requirements. The Government are also reviewing the traffic light system at the same time, so we will know more about mask wearing requirements then.

I am aware that further changes will mean different things for each family. For some this may bring concerns, and for others perhaps relief, and all things in between. You are welcome to come and chat anytime, if there is some way I can help, I would love to.

We will be reviewing what this means for parent volunteers, EOTC, trips and more over the next little while, so please be patient with us, while we seek clarification, so we can get things right for our amazing community.

As you will see on our community stats poster - we have welcomed a significant number of children back, recovered and excited to join us again! I am so hopeful that our downward trend of cases at school continues!

This week, our Leadership team, have had the opportunity to visit in each class. To hear the joy in our little ones, the excitement of learning, the positive praise from our teachers, and peers encouraging each other, was just magic. I would love to congratulate each of our teachers and support staff, in the warm, caring and inspiring way you are leading our learners - you are truly fabulous - thankyou!

I have been made aware of some huge needs in our community - some of our precious elderly, having to choose between power and food, or bread and toilet paper. Some of our young ones, are missing out on some of the basics, because food has become expensive. We would love to support where we can - so will have a box in or outside the office, to take any donations you might have to spare, of dried or canned goods. We are hoping that we can donate a boxful of our combined donations, weekly, to the food gift box, or those in our school community. Please only donate, if you can. Many thanks.

As always, happy to chat about concerns or celebrations - flick me an email or a phone call.

Nga manaakitanga  
Briar

## BMX

Last weekend Tyler took part in the Mainland South BMX Regionals down in Alexandra - he had an awesome time down there apart from the bumpy flight on his way home. He took out 2nd place in the final. He is currently striving towards his goal to become the National series Champ for his age group which involves competing in certain events around the country throughout the year and collecting points at each event. Congratulations Tyler!

## Diabetes Fundraiser

Imagine having to pick your child's finger 8-10 times a day. This is the case for youth living with type 1 diabetes unless they can afford a Continuous Glucose Monitor (CGM). Unfortunately these are not funded yet and with them costing \$100 a fortnight are out of reach financially for a lot of families. With a CGM, finger pricks are reduced dramatically and levels can be monitored by a smartphone or watch. This creates piece of mind for parents as they can see when the child is going high or low without having to finger prick to check.

Waihi East School is holding a mufti day to help raise funds for children living with type 1 diabetes.

March 30. Gold coin donation please to dress up in medical theme.

WE CAN HELP KIWIS WITH DIABETES
