Kia Ora Whanau,

Congratulations to the tamariki who received a Principal certificate this week! We are often blown away by the amazing characteristics many of our children display, and the way they live our Waihi East values, daily. Tino pai koutou - you are super stars.

Massive mihi (thanks) to everyone who has contributed towards our hangi - we are truly amazed at our generous community, and want to shout out to Gary Alway from LJ Hookers, and his team, for their incredibly generous donation towards making this happen. Thankyou! Our Matariki hangi celebration is going to be delicious! A Big thanks to Vicki Lambert for sourcing a big part of our hangi funding.

The end of term is closing in fast. If you haven't booked your interview please do so - we have a few spaces left, and really value your time to chat. We have an early close on Wednesday at 1pm, to ensure availability for everyone.

Have a fantastic weekend! Good luck to everyone out on the paddock, track, field or court - we look forward to hearing how your got on Monday.

ATTENDANCE MATTERS

Value your child's education. Children spend approximately 15% of their time at school. To get the most out of their education they need to be on time and attending school EVERY day.

Did you know that if you don't contact the school when your child is absent they are marked as Truant?

An Invitation.

Students of *Waihi East* School, are once again invited to participate in Waihi's Art and Street festival. The festival will take place next year 2023, January 28-29th, over Auckland Anniversary weekend. We would like to invite you to enter the art competition. The art work we received from you last year was wonderful and we received many very positive comments from people who visited the display.

Each school's entries will be displayed in Waihi's shop windows or the Waihi Museums exhibition gallery for public viewing.

A prize will be awarded for the most appealing school display, and all schools will be notified of the judge's decision

Here is what you need to do to enter a piece of your art:

Discuss possible ideas you might have for next year's theme, "Protect the Environment" with your teacher and class mates. You could produce a painting, a print, perhaps you are a talented photographer, or you would prefer to work in 3 D and create a diorama, a piece of weaving.

There are so many options but when deciding keep in mind where it will be displayed.

We hope you will join us in celebrating our regions artistic talent.

We will collect your art from school during term 4, so you have plenty of time to plan and create your entries. Work will be returned to your school in term 1. We will discuss how this will work with your teachers.

All you have to do is create a piece of visual art for display, make sure you have your name, age and the name of the school attached to your entry.

Looking forward to displaying your creations

You may have heard of the Kai Care Packs that Waihi College have been making recently. As you know, all our Waihi College students receive a free lunch as part of the Ka Ora, Ka Ako programme. The ingredients for these lunches come to us every day and a private company called Libelle, make them into nutritious lunches for our kids. Last term, we started turning the left over ingredients into frozen meals which we package up and give out to the community once a week on a Wednesday. We have an email address (kaicarepacks@waihicol.school.nz) which people can use if they need a pack for the week, or would like a pack on an ongoing basis. If you would like a hand connecting with this awesome idea, please flick Briar and email.
