Kia Ora Whanau,

The last week of a fabulous term! So many highlights to reflect on, and we end this term grateful to have been able to provide some awesome opportunities and experiences for our tamariki. We really hope your cup is half full, and the other half was delicious!

A big mihi and much aroha to our teachers and support staff - these lovely humans go well above and beyond regularly, and are such a huge asset to our community and make work life a great place to spend many hours! I'm sure you will all join me in encouraging them to take time out for their own whanau this holiday time - and come back fully recharged, ready for an amazing Term 3.

Exciting news - we will be making our own school film about the Ohinemuri story - so camera, lights, action, it will be!

Thanks once again to all our Hangi contributors, for helping make such a memorable Matariki celebration come to fruition.

Vicki Lambert, Gary Alway from LJ Hookers, Plan Bee for delicious crumble, the Telfar whanau, for the chicken, whanau for cash and kai donations, the Keelan and Thompson whanau for the use of their baskets and irons, our hangi kai makers, Lisa, Pam, Teresa, Tanya, Vanessa and others who popped in; our hangi makers, Kevin, Nani, Graham, Dave, Steve, Joseph, Micah, Hamish, some of our tamariki and others who popped in to help. And to our Matua Matt, chief hangi digger and maker - we thank YOU. A massive effort by all - we can't wait for the next one!

Happy holidays everyone!

Nga mihi,  
Briar

## NOTICES AND REMINDERS

### PHOTOLIFE CLASS & INDIVIDUAL PHOTO ORDERS

You should have received an email from PhotoLife recently ( Check your spam as well) with your unique code to order your child's school photos. If you have NOT received an email we have your code here at school. Give the office a call or email and I can give you your code.

### ATTENDANCE MATTERS—HINTS and TIPS

Be prepared. Make sure your child has the required equipment and clothing.  
Prepare lunches and ensure homework is done the night before.  
Make sure they have a good night's sleep. Children need more sleep than adults.

Talk to your child about the importance of going to school and being on time.  
Set clear limits around time spent on computer games, watching TV and the use of cell phones.

Plan appointments and family holidays for after school or during school holidays.  
Stay involved in your child's life. Ask about their day, their friends, teachers, dreams, and aspirations.

Keep in regular contact with your child's teacher. Attend Parent Interviews and show an interest in your child's achievement.  
Ensure you let the school know if your child is going to be away or late for any reason. A phone call, text or email is all it takes.

Ask for help and support if you or your child need it. Talk to your child's teacher or the Principal if there are any circumstances that may affect your child's behaviour or impact on their attendance.

*Did you know that if you don't contact the school when your child is absent they are marked as Truant?*

## *An Invitation.*

Students of ..... *Waihi East* ..... School, are once again invited to participate in Waihi's Art and Street festival. The festival will take place next year 2023, January 28-29th, over Auckland Anniversary weekend. We would like to invite you to enter the art competition. The art work we received from you last year was wonderful and we received many very positive comments from people who visited the display.

Each school's entries will be displayed in Waihi's shop windows or the Waihi Museums exhibition gallery for public viewing.

A prize will be awarded for the most appealing school display, and all schools will be notified of the judge's decision

Here is what you need to do to enter a piece of your art:

Discuss possible ideas you might have for next year's theme, "Protect the Environment" with your teacher and class mates. You could produce a painting, a print, perhaps you are a talented photographer, or you would prefer to work in 3 D and create a diorama, a piece of weaving.

There are so many options but when deciding keep in mind where it will be displayed.

We hope you will join us in celebrating our regions artistic talent.

We will collect your art from school during term 4, so you have plenty of time to plan and create your entries. Work will be returned to your school in term 1. We will discuss how this will work with your teachers.

All you have to do is create a piece of visual art for display, make sure you have your name, age and the name of the school attached to your entry.

Looking forward to displaying your creations

You may have heard of the Kai Care Packs that Waihi College have been making recently. As you know, all our Waihi College students receive a free lunch as part of the Ka Ora, Ka Ako programme. The ingredients for these lunches come to us every day and a private company called Libelle, make them into nutritious lunches for our kids.

Last term, we started turning the left over ingredients into frozen meals which we package up and give out to the community once a week on a Wednesday. We have an email address ([kaicarepacks@waihicol.school.nz](mailto:kaicarepacks@waihicol.school.nz)) which people can use if they need a pack for the week, or would like a pack on an ongoing basis. If you would like a hand connecting with this awesome idea, please flick Briar and email.
