## NOTICES AND REMINDERS

Kia Ora

Almost the end of a fabulous week 3!

Our tamariki are all helping their teachers brainstorm how their class will present their story of the Ohinemuri awa, in our up and coming short film production.

It's super exciting to hear their buzz and chatting through ideas, and a great opportunity to learn about our area history, and the people our gorgeous awa (river), has touched over the years.

Sickness is raring it's head, and the balance of being at school and staying home if unwell is a tricky one. We really appreciate your texts and calls if your child needs to be at home.

Just a wee update on our build - the new resource room just needs its finishing touch's, the new toilet block is awaiting the plumber and drainage people, and the electrician will be onsite this week. So, despite having holdups and some material shortages, we are chugging towards the finish line! Woohoo!! We are also in the process of having a transportable room being made, with delivery in September (fingers crossed), so this will help ease some of our space poor issues.

Reminding you that next Friday is a Teacher Only Day. Our kura (school) will be shut for instruction, so please ensure your whanau have arrangements made for your child.

Have a fabulous weekend.

## An Invitation.

Students of ..... Waihi East ..... School, are once again invited to participate in Waihi's Art and Street festival. The festival will be held on the next year 2023, January 28-29th, over Auckland weekend. We would like to invite you to enter the art competition. The art work we received from you last year was wonderful and we received many very positive comments from people who visited the display.

Each school's entries will be displayed in Waihi's shop windows or the Waihi Museums exhibition gallery for public viewing.

A prize will be awarded for the most appealing school display, and all schools will be notified of the judge's decision

Here is what you need to do to enter a piece of your art:

Discuss possible ideas you might have for next year's theme, "Protect the Environment" with your teacher and class mates. You could produce a painting, a print, perhaps you are a talented photographer, or you would prefer to work in 3 D and create a diorama, a piece of weaving.

There are so many options but when deciding keep in mind where it will be displayed.

We hope you will join us in celebrating our regions artistic talent.

We will collect your art from school during term 4, so you have plenty of time to plan and create your entries. Work will be returned to your school in term 1. We will discuss how this will work with your teachers.

All you have to do is create a piece of visual art for display, make sure you have your name, age and the name of the school attached to your entry.

Looking forward to displaying your creations

You may have heard of the Kai Care Packs that Waihi College have been making recently. As you know, all our Waihi College students receive a free lunch as part of the Ka Ora, Ka Ako programme. The ingredients for these lunches come to us every day and a private company called Libelle, make them into nutritious lunches for our kids.

Last term, we started turning the left over ingredients into frozen meals which we package up and give out to the community once a week on a Wednesday. We have an email address ([kaicarepacks@waihicol.school.nz](mailto:kaicarepacks@waihicol.school.nz)) which people can use if they need a pack for the week, or would like a pack on an ongoing basis. If you would like a hand connecting with this awesome idea, please flick Briar and email.
