Kia or whanau,

How fabulous is it to have Spring arrive! Our school tulips are flowering and having such beautiful days means the tamariki can get outside to play.

You might've noticed a new building has been put on next to the Pearl room. We are very thrilled to have more space to work in, for our supporting agencies and people. Over time, this room will also become our sensory room, where children (and teachers) can go for some quiet time if they need to. Learning is hard work, and sometimes our cognitive load gets pretty heavy - having a soothing space will be hugely beneficial.

We have been fortunate to have learning expert partners in our school, for a few days recently - their feedback on our children's demeanour and willingness to try new learning, has been tremendous to hear. Lots of children have been spotted living our values! Ka pai!

Thankyou to all who voted in our Board elections - this has now closed. Legally, we have to wait for five days, until these can be opened (to give time for the postal service), and then we will announce our new Board for 2023. We have amazing candidates, and I'm confident our community will have voted in a fabulous Board, to continue the good work already happening.

Have a wonderful weekend.

Briar

## NOTICES AND REMINDERS

### ERO PROFILE REPORTING

Te Ara Huarau is the evaluation approach that the Education Review Office (ERO) is using in our school. This a developmental approach to evaluation where ERO and our school work together over time rather than one off reviews that happened previously. Te Ara Huarau is used in most English-medium state and state-integrated schools.

ERO maintains a regular review programme to evaluate and report on the education and care of young people in the schools. Our school worked alongside ERO to write our Profile Report. This type of report will only happen once as part of our initial engagement with Te Ara Huarau. The profile report reflects our strategic goals and a shared evaluation focus one or more areas that are important to us as we work together to improve outcomes for all our learners. ERO, like us, have a strong focus on equity and excellence. Future reporting will show our progress and achievement towards meeting the goals we have set. Public reports like the Profile Report are published on [ERO's website](#).

A Board Assurance Report that shows how we are meeting regulatory and legislative Requirements has also been published.

**Raising Resilient Children**  
 What we can do – as parents and community – to help!

We use the word *resilience* all the time, we want it for ourselves and for our children. But what does it actually look like? And how do we develop it?

Understanding the neuroscience of how resilience develops, will help us recognise what we can do in our everyday lives and interactions, to increase resilience in our communities. This session will help you understand, in a simple yet sufficient way, how we can build resilience.

The beauty of this session is that you can take the information and immediately apply it to your world. Reports of 'you have changed our household' and 'I get it now' are very common feedbacks from those who attend this session. Come along and hear how it can help you too.

Kathryn is a mother of two adolescents, with a Masters in Educational Psychology. Kathryn has been learning and working in this area for over twenty years, training national and international audiences, including Police, Teachers, Parents, Social Workers, NZ Rugby and many more.

You may have heard of the Kai Care Packs that Waihi College have been making recently. As you know, all our Waihi College students receive a free lunch as part of the Ka Ora, Ka Ako programme. The ingredients for these lunches come to us every day and a private company called Libelle, make them into nutritious lunches for our kids.

Last term, we started turning the left over ingredients into frozen meals which we package up and give out to the community once a week on a Wednesday. We have an email address ([kaicarepacks@waihicol.school.nz](mailto:kaicarepacks@waihicol.school.nz)) which people can use if they need a pack for the week, or would like a pack on an ongoing basis.

If you would like a hand connecting with this awesome idea, please flick Briar and email.
