Kia Ora Whanau,

The end of term is in sight - someone mentioned how many Fridays it was until Christmas, it didn't seem enough - where has the year gone?!

I hope you have some lovely plans for our unexpected long weekend, which will also see Daylight Savings arrive - oh my!

Tomorrow we have both Principal Assembly - at 12pm, and Wheelie afternoon - from 1.40pm. Children are welcome to bring wheels along, that whanau are happy for them to bring. Please keep in mind that sometimes things get lost or damaged, and while we will do our best to ensure this doesn't happen, we will not be taking responsibility for children's wheelie items, should that happen. We will have a space allocated for remote controlled vehicles, skateboard, scooter, bikes and wheel type construction; so something for everyone!

Next term we are excited to host both an Inter School Ag day (thanks to Ro Goodwin) and our own school Ag day - stay tuned for how you might like to be involved in the fun! We will also be launching a Colour Fun Run, which whanau will be invited to be a part of!

Over the holidays the pool will be resurfaced, so we have high hopes we will be swimming mid term... its all on!

To our lovely Year 6 students - make this last term count! You are incredible, and we are so blessed to be a part of your journey ...

Lastly, below is an open invitation for us all - please RSVP your attendance.

You may have heard of the Kai Care Packs that Waihi College have been making recently. As you know, all our Waihi College students receive a free lunch as part of the Ka Ora, Ka Ako programme. The ingredients for these lunches come to us every day and a private company called Libelle, make them into nutritious lunches for our kids.

Last term, we started turning the left over ingredients into frozen meals which we package up and give out to the community once a week on a Wednesday. We have an email address (kaicarepacks@waihicol.school.nz) which people can use if they need a pack for the week, or would like a pack on an ongoing basis.

If you would like a hand connecting with this awesome idea, please flick Briar and email.
