Kia Ora Whanau!

What a fabulous first week back at school! We were so pleased to welcome everyone back, and a special welcome to our new whanau who have joined us. Haere, haere, haere mai!

Matau Reece, Whaea Leigh and Whaea Sina, have joined us as Teacher Aides for our busiest term! We are very happy to have you here with us. Over the next few weeks, please say hi if you see them, and make them welcome.

Yesterday - we finished filming our epic Ohinemuri story - here is a sneak peak at some of the things you will see in it. Our heartfelt thanks to Mrs. Hartley for driving this, and organising us - we are very thankful for your schoolwide contribution to what will be a wonderful memory for us all.

Matua Scott - how incredible you are! He has been on location with us, filming, tweaking, encouraging and celebrating our learning - we are super excited to see how his creative mind is piecing together our story to share with you all. We will be able to let you know dates for our premiers in a week or two.

Next week is a short week, if you are going away over the long weekend, please take extra care, the sun is out and many of us will be hitting the water. Next week is a busy, short week. We are planning on a fire drill, one day next week, you might like to let your little person know that we will be practicing what to do in a fire drill. Its a good time to also have a chat at home about what kinds of plans you have if your whanau ever have to face an emergency.

A Big thanks to Jared for concreting our Discovery Centre sandpit area—our children love it! We appreciate your kindness, mahi and time.

We will be hosting Interschool Calf day next week, and are really looking forward to having the calves, kids and lambs come to school - something always unexpected happens!

As always, flick me an email to make a time to come and chat if you would like to. Have a wonderful weekend.

Briar

NEWSLETTER ADVERTISING

We still have a couple of spaces available for advertising on the back of our weekly newsletter. The cost is \$200 for a years worth of ads. Please contact the office or Briar if you are interested.

ENROLMENT SCHEME

Public Notice advertising details of pre-enrolment procedures and subsequent balloting Procedures.

Enrolment at our school is governed by an enrolment scheme, details of which are available from the school office.

Applications for out-of-zone places are now being invited for those students who will become eligible for enrolment during the period for Term 4 2022 and Term 1 2023 (This includes students applying to be treated as in-zone students under transition provisions).

The deadline for receipt of application for places is 16th October 2022.

If a ballot for out-of-zone places is required, it will be held on 17th October 2022. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

If you live in the home zone and have not yet signaled your intention to enroll your child later this year or next year, please contact the school immediately to assist us to plan appropriately.

WE WOULD LOVE DONATIONS FOR

Inter School Agriculture Day

There will be a sausage sizzle/bake sale on next Thursday while we host the Inter School Agriculture Day. These goodies will be available for children to buy during morning tea time and lunch time.

We are looking for helpers for the day and donations of baking to support this fundraiser please.

If you are able to help can you please contact Emma on 021 130 3727.

BAGs for FRUIT

MAKE YOUR BAGS GO ANOTHER ROUND

We have teamed up with Beach Road Garden Centre to help recycle packaging bags in return for Free Fruit

you can drop any bags off to the East School Office

(bags need to be in clean reuseable condition)

For every 10KGs of paper supermarket bag's we supply, they will donate to us 10KG of yummy, healthy fruit to share amongst our students.

IT'S A WIN WIN!

Raising Resilient Children

What we can do – as parents and community – to help!

We use the word *resilience* all the time, we want it for ourselves and for our children. But what does it actually look like? And how do we develop it?

Understanding the neuroscience of how resilience develops, will help us recognise what we can do in our everyday lives and interactions, to increase resilience in our communities. This session will help you understand, in a simple yet sufficient way, how we can build resilience.

The beauty of this session is that you can take the information and immediately apply it to your world. Reports of 'you have changed our household' and 'I get it now' are very common feedbacks from those who attend this session. Come along and hear how it can help you too.

Kathryn is a mother of two adolescents, with a Masters in Educational Psychology. Kathryn has been learning and working in this area for over twenty years, training national and international audiences, including Police, Teachers, Parents, Social Workers, NZ Rugby and many more.
