We are still getting people parking in the NO PARKING AREA by the kindy. Please do not park in the NP (NO PARKING) zones in front of the gates at East School as we need to keep it clear for trucks doing pickups. Also Thanks to CoroVets for donating Spot Prizes

Introducing our New Board of Trustees Elected 2022.

What do you prefer?

Coffee or tea? Is this even a question? Lol.. Coffee.

City or countryside? Easy, Country!

Board games or video games? I like both...

Books or movies? Books

Animals or people? Animals every time

Watch sports or play sports? Watching horse riding definitely.

Emails or conversations? Emails are easier.

Winter or summer? I like Autumn & Spring better :-)) but summer wins over winter.

Rugby or Football? Rugby

Fictional place I would love to visit and why? Hogwarts

Tineke Douglas

What do you prefer?

Coffee or tea? - Neither, I would have water, but juice 🍹 or fizzy 🥤 would be a welcome treat.

City or county side? - definitely country. City is too stressful and loud.

Boardgames or video games? - Board games

Books or movies? - Tough one. I like both, depending on the mood. But I just got back into reading and I can't get enough of it.

Animals or people? - A bit of both. I need people for social interaction, but animals can have a calming effect, and I need that sometimes too.

Watch sports or play sports? - Play sports! But I would support my family or friends from the sideline too.

Emails or conversations? - Conversation

Winter or summer? - Summer

Rugby or football? - Probably 🏈 over 🏀

Fictional place I would love to visit and why? - I love diving into books, so there are many stories I would like to be a bystander. But as a kid I would have loved to go to Villa Villekulla with Pippi Longstocking. Imagine having a friend like her, with a big house and no worries!

Susanne Bjerring

What do you prefer?

Coffee or tea? Coffee

City or countryside? Countryside

Board games or video games? Board games

Fictional place I would love to visit and why?
Willy Wonka's Chocolate Factory

What do you prefer?

Coffee or tea? Coffee

City or countryside? Countryside

Board games or video games? Bity of both

Books or movies? Movies

Animals or people? People

Watch sports or play sports? Now days, watch!

Emails or conversations? Conversations

Winter or summer? Summer

Rugby or Football? Rugby

Fictional place I would love to visit and why?
Willy Wonka's Chocolate Factory - who wouldn't want to!

Nani de Ocampo

What do you prefer?

Coffee or Tea?

Coffee, hands down, wins every time!

City or Countryside?

Many years ago I would have chosen the city, but the countryside is where it's at now!

Board Games or Video Games?

This answer makes me feel old but it has to be board games :)

Books or Movies?

I love a good Movie but nothing takes you away to another world like a book! I always feel sad when I finish a book as I don't want it to be over!

Animals or People?

Well this one is debatable.... To be honest some days it's people and some days it's animals, my schneagle Jenny is a fantastic listener and doesn't answer back that often :)

Watch sports or Play sports?

Watch sports, I'm not as agile as I used to be 😊

Emails or Conversations?

If you ask the people I work with they will tell you I talk a lot! So, I'll go with conversations.

Winter or Summer?

Summer for sure, going to the beach and bbq's with friends!

Rugby or Football?

Are you even a kiwi unless you answer Rugby? (Sorry footy supporters!)

Fictional place I would love to visit and why?

Obviously Fantasia, so I can go for a ride on Falkor the luck dragon (after Atreyu saves Fantasia and destroys the nothing)
