Kia ora Whanau,

It has been a full and fabulous week at Waihi East School! We have been blown away by our amazing athletes who attended the Cluster Athletic event on Tuesday. Feedback from Sport Waikato, was that our tamariki displayed our values, and competed fiercely - and golly me, we have some awesome results! Seven of our children will be competing at the Northern cluster event next week. Congratulations to you all!

Our music students are all preparing for a showcase coming up in a couple of weeks, and we are enjoying their musical efforts as they prepare - something to look forward to.

Our Year 6's are preparing their end of year item and various transition programs are happening as they get ready to fly their schooling nest, out into the next stages of life - it is so exciting to see these incredible young people at this point in their journey - many of which we have had the privilege of caring for since they started school, it is certainly a bittersweet time for our staff.

You might have heard the New Zealand Curriculum is being refreshed - in reality it is being completely revamped! By 2026, the Ministry of Education expects all schools to be rolling this out in our programs. They have released the final version of Aotearoa Histories, which many schools are adopting now, and also this week the Social Sciences curriculum for schools to try. If you are curious about what this look's like, here is a link to check it out.

<https://curriculumrefresh.education.govt.nz/social-sciences>

In a nutshell, it has moved to an understand, know and do type of learning. There appears to be some great concepts in here, and we look forward to trying these out over time. I suspect there will be the odd kink or two to iron out, as we work out what is best for us.

Our teachers across Aotearoa, continue to wait on negotiations for our working conditions, and services for our tamariki to be improved, this will take some time. The children waiting for help, in learning, behaviour and or life, is a long long list, and takes far too long to be able to implement initiatives to help. We desperately need play therapists, councilors, trauma informed practitioners, physios, occupational therapists, more money for teacher aides, and the list goes on. Please support our teaching whanau as we continue to do the absolute best we can with ridiculously limited resources.

Next week Beach Hop is in town! As a school we will be viewing the cars as they come into town along Kenny Street (weather permitting), and our Kapahaka will be opening the festivities! If you wish to take your child to town to visit this cars and enjoy the atmosphere as a whanau, please sign them out at the office and let their class teacher know.

Have a fab weekend coming - and all the very best to our Kapahaka Roopu, performing at Hauraki Festival, in Te Aroha on Saturday. Huge thanks to Mrs. Hartley, Mrs. James and Matua Matt, for going above and beyond, and making this happen for our tamariki.

Nga mihi  
Briar
