You may have heard of the Kai Care Packs that Waihi College have been making recently. As you know, all our Waihi College students receive a free lunch as part of the Ka Ora, Ka Ako programme. The ingredients for these lunches come to us every day and a private company called Libelle, make them into nutritious lunches for our kids.

Last term, we started turning the left over ingredients into frozen meals which we package up and give out to the community once a week on a Wednesday. We have an email address (kaicarepacks@waihicol.school.nz) which people can use if they need a pack for the week, or would like a pack on an ongoing basis. If you would like a hand connecting with this awesome idea, please flick Briar and email.
