Dec 5	Tapawae tournament.
Dec 6	Girls Cricket Day Out.

Kia ora Whanau,

How cool is it to have our calves, kids and lambs at school! Check out young Ezra's cool calf!

Big thanks to Roanna Goodwin, for coordinating and making our Interschool Ag Day happen - we were thrilled to host this special day, the sunshine was the icing on the cake! Congratulations to all those who came along, and to the place winners too. Just wonderful to see many of our tamariki taking part in the day.

Congratulations to Hunter P and Tyler C, for their amazing achievements in Inline Hockey and BMX - last weekend. Lots of practice and time is poured into perfecting your craft - well done to you both (and your whanau too)! Congratulations to our Chess team who also competed at Nationals last weekend - well done to you guys! Big thanks to Mrs. Matautia for making this happen!

Next week we are happy to be hosting the Duffy Show, and also the College, as they come to visit our Year 6 students. We will also be participating in the National Shake out day, so its all on!

As you will know, we are now NZ famous for our Poi-e glitch over Labour weekend. Apologies again to those that were disturbed by the ongoing loudness. We have had this fixed, and are hopeful we don't have anything else go wrong!

Have a wonderful weekend coming, and good luck to those involved in the 3x3 Basketball competition this Saturday. Thanks to Anna and Matua Matt for overseeing this.

Nga mihi
Briar

NOTICES AND REMINDERS

NEWSLETTER ADVERTISING

We still have a couple of spaces available for advertising on the back of our weekly newsletter. The cost is \$200 for a years worth of ads. Please contact the office or Briar if you are interested.

ENROLMENT SCHEME

Public Notice advertising details of pre-enrolment procedures and subsequent balloting Procedures.

Enrolment at our school is governed by an enrolment scheme, details of which are available from the school office.

Applications for out-of-zone places are now being invited for those students who will become eligible for enrolment during the period for Term 4 2022 and Term 1 2023 (This includes students applying to be treated as in-zone students under transition provisions).

The deadline for receipt of application for places is 19th November 2022.

If a ballot for out-of-zone places is required, it will be held on 20th November 2022. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

If you live in the home zone and have not yet signaled your intention to enroll your child later this year or next year, please contact the school immediately to assist us to plan appropriately.

Hey families - on Friday 28 October we acknowledge and support WORLD TEACHERS' DAY ...it is a chance to show your appreciation to our wonderful teachers with kind words and kind deeds. (If you so wish...)

This year, it's especially important to celebrate teachers in light of the sacrifices they have made and the innovations they have produced against the tumultuous backdrop of the pandemic. Being at home and participating in classes online has helped many children to realise the importance of learning in a conventional school environment, with a caring and knowledgeable teacher to consult.

At the same time, teachers have risen to the challenge of online learning and have often gone the extra mile to care for their students in these troubled times. With students now reintegrating back into a physical school environment, the teachers guiding them will have become more versatile and resourceful through their experiences of the pandemic.

As a result, World Teachers' Day holds more importance than ever before. Together we can celebrate teachers everywhere, as well as the leadership and response they have shown during this crisis to continue to support children in their education.

Congratulations to Hunter P and Tyler C, for their amazing achievements in Inline Hockey and BMX - last weekend. Lots of practice and time is poured into perfecting your craft - well done to you both (and your whanau too)!

Congratulations to our Chess team who also competed at Nationals last weekend - well done to you guys!

BAGs for FRUIT

MAKE YOUR BAGS GO ANOTHER ROUND

We have teamed up with Beach Road Garden Centre to help recycle packaging bags in return for Free Fruit

you can drop any bags off to the East School Office

(bags need to be in clean re-useable condition)

For every 10KGs of paper supermarket bag's we supply, they will donate to us 10KG of yummy, healthy fruit to share amongst our students.

IT'S A WIN WIN!

Raising Resilient Children

What we can do – as parents and community – to help!

We use the word *resilience* all the time, we want it for ourselves and for our children. But what does it actually look like? And how do we develop it?

Understanding the neuroscience of how resilience develops, will help us recognise what we can do in our everyday lives and interactions, to increase resilience in our communities. This session will help you understand, in a simple yet sufficient way, how we can build resilience.

The beauty of this session is that you can take the information and immediately apply it to your world. Reports of 'you have changed our household' and 'I get it now' are very common feedbacks from those who attend this session. Come along and hear how it can help you too.

Kathryn is a mother of two adolescents, with a Masters in Educational Psychology. Kathryn has been learning and working in this area for over twenty years, training national and international audiences, including Police, Teachers, Parents, Social Workers, NZ Rugby and many more.
