Information Sheet on Vision and Hearing Checks in School

Vision Hearing Technicians from Community and Southern Rural Health will be visiting our school. The objective of the test is to identify previously undetected vision and hearing defects.

If any parents/caregivers do not want their child to be checked, or their child is currently under specialist care for a vision or hearing defect, they should let the school know.

Which children are routinely checked?

Children who have not completed vision and hearing checks as part of their B4 School Check

Children absent from previous visit, require retests or follow up

In special circumstances, parents, teachers or others may request a vision or hearing check

What tests are carried out?

Ears

Audiometry (hearing test)

Tympanometry – middle ear function test (only carried out when hearing test is not within a normal range)

Eyes

Long distance vision tests – not a complete visual examination, but a simple screening test

NB All of these checks are non-invasive, safe and should cause no discomfort.

The Vision Hearing Technician will:

Notify parents of all test results

Enter results on Ministry of Education database (Enrol)

The Vision Hearing Technician will obtain personal details from the school **ie:** names, date of birth.

If the technician needs to contact parents or caregivers following the visit, addresses and phone numbers will also be required.

Our Service may share this information with other health professionals involved in the children's care.

Review Instructions

In 2023, all schools will review the **Legislation and Administration** section and the **Curriculum and Student Achievement** section (including EOTC and Learning Support). See the full **Review and Board Assurances Schedule**.

Who reviews our policies and procedures?

- All reviews are open to board, staff, students, and the school community (parents/caregivers/whānau).
- Anyone can review any policy/procedure that has a review button.

The board is responsible for board-level **overarching policies**. The table below shows which topics the board should review. Note that other reviewers can review these topics too; they're not exclusively for the board.

For more information, see **About the review process**.

Waihi Kāhui Ako Community Consultation - 2023

Kia Ora - Welcome!

Ehara taku toa I te toa takitahi engari, he toa takitini.

Success is not the work of one, but the work of many.

Our community consultation is a chance to gather voice from our students, parents, teachers, School Boards, support services, whānau, hapū and iwi. The outcomes from the consultation will be used to inform our Strategic Planning.

The Waihi Kāhui Ako are currently developing our three-year Strategic Plan which informs our goals and priorities to improve the way our schools and early childhood centres care for and educate your children/ākonga. From here, we develop our Annual Implementation plan to ensure these Improvements occur.

We appreciate you taking a few minutes to provide this feedback as it all goes to ensuring our

children/ākonga get the education they deserve. Please submit one response for each Kura / ECE you are currently enrolled with.
