Kia ora whānau

What a special first two weeks it has been meeting many of you and settling into a new school. Moving Islands was always going to be a big move but the people here have really welcomed us and for that I am very grateful, thank you.

The strategy across the first few months is to begin to build a relationship, to connect, to get to know the students, staff and whānau of the school.

I genuinely have an open door policy, I love to chat about the school and how we can continue to improve what we do in order to get the absolute best for your child.

A strong partnership between school and home is vital in order to achieve this.

The term has started off full of activity, Tuesday netball is in full swing, our cross country was held with great success and in upcoming weeks we have Year 5 and 6 boys and girls rugby teams heading off for competitions. We have over 20 students part of a combined choir- what an amazing opportunity!

Yesterday our staff attended a day of Professional learning at the college. This helped us gain a deeper understanding into supporting our neuro diverse students. It is absolutely vital to continue this learning as we strive to cater for each individual child. Staff came away with practical examples of how to manage this moving forward. We thank you for your support, we know that teacher only days can be a hassle for whānau.

Next Wednesday May 15th we have a special afternoon planned. Afternoon tea with Andrew at 2.30pm is a chance to come into the staffroom, have some kai and a chat about all things Waihi East. I'd love to hear what you all love about the school and any ideas or feedback you might have, please come along. At 3.30 some of our skilled staff will provide information about a structured approach to the teaching of reading, we hope to see you there.

Have a wonderful week and I will see you all soon

Andrew Wilkinson
Principal of Waihi East
