Kia ora whānau

I hope the last two weeks has treated you well! We have continued to be incredibly busy here at Waihi East with plenty going on.

Our student leaders enjoyed a fantastic day in Hamilton recently which was fun for all and supported their leadership development, we have some amazing young leaders in this kura which is wonderful to see.

Many of you will have seen a letter come home for signing, I am wanting to gradually implement lots of fun , engaging activities in our play ground, when students are engaged they are happy, when they are happy they are significantly more likely to learn! All part of the strategy :-) We have started with tackle rugby and will look to bring in boxing, hut making and lots more. Thank you to the students for their suggestions, we need to keep listening to their voice also.

Slightly embarrassing, I need to let you all know that I will not be on site for the final two weeks of the term. I have a pre booked trip to USA as part of my professional learning. I was actually due to take this trip when Covid hit so was denied the chance but my previous Board were very supportive to re book. Obviously at the time of booking I was not moving schools. I do apologise for this inconvenience but hope you can see some benefits for our school. While in USA I will attend 2 conferences - The International technology for education conference and also an Innovative school summit around trauma informed practice and social and emotional regulation. I look forward to sharing learnings from this when I return.

I am certainly still reachable via email during this time.

Thank you for all you are doing out there to support the school and your children, being a parent is incredibly rewarding but not without your challenges, if we can help, please reach out.

Ka kite ano  
Andrew
