Rugby Champs, Art Attack, and Record Enrolment!

Kia ora whānau

We've had another exciting fortnight at Waihi East. Our Year 3 and 4 rugby teams recently played out their tournament at school, we will target the Year 4-6 football next and then our Year 1 and 2's will get amongst some Ripper rugby! Sportsmanship and skills were top-notch. Thanks to all who got involved, I wouldn't be surprised if we have an All Black in the making!

Speaking of champions, our new art space is almost ready to go! We can't wait to see the amazing creations our students will produce in this inspiring new environment. Huge shoutout to Susanne and Hamish Bjerring for helping fit out the inside.

Last week, several staff had the opportunity to attend some professional learning sessions on neuroscience and how to support it. It was a great chance to learn more about how our students learn and how we can best support them.

We're also thrilled to share that our school enrolment has reached an all-time high of 221 students!

Next week we have a really important survey coming home. I know surveys can be painful but it is vital that we get your voice on how the school operates. The survey will ask questions around start dates for the year, prize giving, camps etc etc...

For everyone that completes the survey, you will go in the draw to win one of 3 x \$100 vouchers for New World Waihi. Each class that receives more than 60% of surveys completed will get an ice block each! I really do value your opinions and hope that you will find the time to complete this.

We will have some paper copies at school if you would prefer, otherwise this will come out electronically early next week :-)

Thanks again for all of your support, I hope you have had a great week.

Andrew

WAIHĪ BEACH SCHOOL | KURA CENTENARY CELEBRATIONS

WAIHĪ BEACH KURA | SCHOOL CENTENARY CELEBRATIONS

2024 marks 100 years since Waihi Beach School | Kura opened its doors. In October this year, a century of education, community and mana will be commemorated at the Waihi Beach School Centenary!

100 years in the making...

The school was initially located at Waihi Beach Recreation Reserve (next to the current Beach House cafe) and was officially opened in September 1924 by the chairman of the Auckland Education Board.

While this one-room school facility was being built, children were taught in the dining room of the local fish and chip shop. When the school officially opened, teachers were supplied by the East and South schools in Waihi, and the first ever teacher was Miss Grey.

A second room was added to the school in 1933 with the roll being at 30 students. Some of the students' transport to school was via a covered wagon along the beach from Bowentown.

(Information sourced from Waihi Beach Historical Society/Waihi Beach Heritage Trails)

The land of the current site of the school was then purchased in 1954, and the school was then relocated there in 1957.

Now in 2024, the kura | school is led by Mrs Rachael Coll and 24 staff members, with a roll of 270 children. So much has changed over the 100 years, but the values and mana of the school remain the same – to educate, inspire and guide tamariki in their young years of growth!

Centenary Celebrations

Join in celebrations marking the incredible history, significant achievements and joyful years at our local school. This historic event is a once-in-a-lifetime opportunity to reconnect with old friends, celebrate our shared history and look forward to an exciting future.

Official proceedings will be held on Friday 18 & Saturday 19 October, finishing with an informal brunch on Sunday 20 October 2024.

Celebrations will include a powhiri | formal welcome; school play; school tours; class decade photos; tree planting; Waihi Beach guided tour and a fabulous night with dinner and dance at the RSA on Saturday night.

In addition, attendees will receive a commemorative centenary magazine.
