

Student Reports to the Board of Trustees Term 3

PB4L Rewards

When kids do something great in class or out on the playground they earn green tokens. When they have got enough green tokens they can choose prizes. A lunch out is 50 tickets!

Matariki Hangi

Matariki was celebrated on the 9th of July 2021, from 5.00am till 1pm.

Some of our year 5 and 6 boys arrived at 5am to help prepare the hole for the hangi to get cooked in and prepare the fire.

The hangi and Matariki celebration was successful and enjoyed by all the students and whanau.

Year 3 and 4 Football

A group of Year 3 and 4 kids have been going to Waihi Beach School to have a go at football. Mr Carroll has been taking them. They play against teams from the other schools in Waihi and they have had a fun time.

Tama Club

Our Tama Club meet on a Wednesday afternoon with Mrs Hartley and Matua Matt. They do some learning, some Kapa Haka and have some fun! They have plans for some upcoming projects so watch this space.

Edgewater High School Band

They came from Auckland with an amazing jazz band. There were singers, piano players, trumpets, guitars, drums, flute and dancers.

Our school really enjoyed it. We clapped along to the songs and some kids even got up to go and dance while two amazing singers sang for them.

It was so fun to watch, inspiring us to sing and learn an instrument.

Maths Week

Maths week is a week where we have a focus on fun maths activities throughout the week. We put a piece of paper into a box, on that piece of paper is maths answers that we did before 2.00pm each day. Every afternoon and at 2pm Leah and Truman would look through and pick out the winners and call them to the office and they would win a chocolate bar.

I think math week is a great chance for the students to have a go and see if they win.

Year 5 and 6 Football

Every Friday we go to college field and play football. There are two Waihi East School football teams. One team is Team Yellow and the other one Team Blue. Keith is our coach and he coaches us every Tuesday at school.

Disco

We had a school disco on the 12th August. Lots of kids went to the disco and had a good time. There were rainbow lights and lots of lollies to make the kids go crazy!

There also was a group of boys that danced non stop up the front.

We raised over \$1000 for our school!

WBOP Chess Tournament

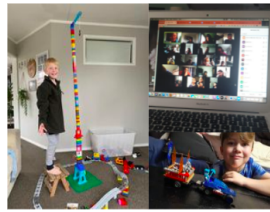

We went to the WBOP chess tournament on Friday the 13th August in Tauranga. We had 6 rounds of chess. We played against schools from all over Tauranga. We came 3rd equal and the top 4 teams all got a chocolate bar each.

Student Reports to the Board of Trustees Term 3

Lockdown Learning

At home we had to learn online. We got to see our friends online on our google meets or zoom. The work was hard and you had to turn it in when you were finished. Some days you had more than three google meets. Some kids liked lockdown and most did not because you couldn't see your friends or teachers. Some liked this because you could do your homework in bed or while you were eating breakfast.

Bubble School

Bubble school was very different to normal school. There were different bubble colours and lots of rules like staying 1 metre distance and you had to stay in your family bubbles. We still had to do school work but we got to do fun things like Rainbow Day where we all dressed up in rainbow colours for fun and we made bubble hats.

Year 5 and 6 Girls Hike

The year 5 and 6 girls went on a hike to the Waitawheta hut. We all walked about 1k each way. We all had to stop at the boogie (The big log) and we ate our sandwiches. Back on our way and we finally reached the hut. Most of the girls lay on the ground and got the group photo taken. Then we were all allowed to go and have an explore around the hut. After a while we had dinner and set up our beds we also got into groups and practiced a skit. After that we played spotlight with the adults. The kids went first for at least 4 rounds and then the adults for 1 and then the kids again. Then it was time to sleep. We had weetbix and marshmallows for breakfast which was delicious.

Diff: Del: Medal Assembly

Ms Scott's Blurb

Wow, what an amazing, diverse and slightly crazy term it has been!

Our role has grown, the sun is out more often and the smiles are from ear to ear.

A huge thank you to you all - for your contributions to our kura (school), your support of our gorgeous kaiako (teachers) and any encouraging word you might have shared with them.

Teaching is a BIG job - and I just want to shout out to our awesome team - to say thanks for being our everyday superheroes!

Check out our fabulous student report - that wraps Term 3 up and celebrates all the amazing things we manage to pack in!

Happy holidays everyone! Looking forward to seeing you all next term, rested and ready to rock!!

Nga mihi,
Briar

and Del...
question like...
"hool?" and...
s said because...
rtive and they...
r Principal is...
rtunities like...
to Tiritiri...
great camps...
ke that. So all

Colour Run

Our fun run is on the November 5th. We have raised \$5000 for the fun run so far. People can do a donation online, the more money you get the better prizes. The more tickets you get the better the chance you will get \$20,000 of money for stuff. Even if you get to \$1,000 you can win a trampoline there are lots of really cool prizes. All of the kids love this and we are raising lots of money and lots of kids are getting involved.
